

## 2024-2025 V5 Dependent Verification Worksheet

**What is Verification?** – The Department of Education randomly selects a percentage of students for verification. Before awarding Federal Student Aid, we must collect documentation to verify the information reported on your FAFSA. FAFSA corrections may be required based on your provided documentation if there are discrepancies. During the verification process, it may be determined that additional documents are needed.

**Instructions:** Read this worksheet thoroughly and answer all questions. Return the worksheet and all requested documentation to the Financial Aid Office as soon as possible to prevent financial aid processing delays. Digital/e-signatures will not be accepted on any forms in the Verification process.

As part of federal student aid eligibility, students and parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. **In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student’s FAFSA using the income and tax information directly from the IRS.**

**If 2022 income tax information for the student or parent was not available or could not be used, the student and/or parent should provide the institution with a 2022 IRS Tax Return Transcript(s) or a signed copy of the 2022 income tax return and applicable schedules.**

A 2022 IRS Tax Return Transcript may be obtained through:

- **Get Transcript by Mail** – Go to [www.irs.gov](http://www.irs.gov), click “Get Your Tax Record.” Click “Get Transcript by Mail.” Make sure to request the “Return Transcript” and NOT the “Account Transcript.” The transcript is generally received within 10 business days from the IRS’s receipt of the online request.
- **Get Transcript Online** – Go to [www.irs.gov](http://www.irs.gov), click “Get Your Tax Record.” Click “Get Transcript Online.” Make sure to request the “Return Transcript” and NOT the “Account Transcript.” To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user’s name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript is displayed online upon successful completion of the IRS’s two-step authentication.
- **Automated Telephone Request** – 1-800-908-9946. The transcript is generally received within 10 business days from the IRS’s receipt of the telephone request.
- **Paper Request Form** – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS’s receipt of the paper request form.

  - They live with the student’s parents (or live apart because of college enrollment),
  - They receive more than half of their support from the student’s parents, and
  - They will continue to receive more than half of their support from the student’s parent(s) from July 1, 2024, through June 30, 2025.

As a result, the parent should not include any unborn children in the family size.
