Campus Safety and Security Responsibilities

Campus safety and security at SOMI is under the purview of the Dean of Administration who also serves as the Campus Safety Administrator. This role provides daily direction and management for the Building Coordinator and related School safety and security activities. All incident reports, documentation of crimes or other emergencies occurring on the School campus are reviewed by the Dean of Administration.

General Security Information

POLICY S2 Campus Safety and Security

The Security Department of Memorial Regional Medical Center bears ultimate responsibility for security at SOMI. SOMI has implemented building access procedures with related security measures that are provided in S13 Building Access.

During the established hours of operation of SOMI which are available on the SOMI website, students, associates, and visitors may contact the Dean of Administration, who serves as the Campus Safety Administrator, or the Building Coordinator (phone numbers provided at the end of this section) with any security concerns. Refer to S10 Voluntary Reporting for additional information regarding incident reporting.

In the event of an emergency, individuals should dial 911, state the emergency, and follow the directions of the 911 operator.

Routine Safety Measures

A safe and secure environment is of paramount importance to the School and is the responsibility of all students and associates. Everyone is encouraged to follow routine safety practices such as:

- Leave all valuables in the trunk of a locked car.
- Travel with a partner or request to be escorted by a security officer when leaving a campus building after dark.
- Walk to car with keys in hand and a level of awareness of surroundings.
- Never open the door of a School building for anyone without a Bon Secours-issued badge. Validate an appointment with the School before opening the door.
- Follow all directions in the event of an active shooter, fire or bomb threat, or weather emergency.
- Follow all infection control practices.
- Keep personal areas clean and uncluttered.
- Report unsafe environmental or physical plant conditions to the Building Coordinator immediately.
- Adhere to the tobacco-free campus practice established by Bon Secours for all its facilities.

POLICY S2 Campus Safety and Security

Parking

SOMI provides parking spaces for associates and students. At the Magellan Parkway campus, parking spaces are marked with blue squares and are located at the front and rear of the two campus buildings (8550 and 8570 Magellan Parkway). Overflow parking is available in the lower parking level of the building located at 8555 Magellan Parkway. Vehicles parked in prohibited areas or in spaces not marked by blue squares may be subject to towing at the owner's expense. Associates and students should comply with all posted signage located within Windsor Business Park or at any location associated with their job responsibilities or clinical assignments.

Security Awareness and Crime Prevention

SOMI offers several activities aimed at addressing security awareness and crime prevention which include, but are not limited to:

- Regular fire drills, including building evacuation, that are conducted every fall and spring semester.
- Delivery of Campus Safety and Security training at orientation for new students.
- Communications to students and availability of training on select topics that highlight personal and campus safety, including video links on the following topics:
 - Campus Security & Safety
 - Title IX
- Annual training for associates includes:
 - Active Shooter training module
 - Security Awareness and Crime Prevention early in the fall
 - Title IX training early in the spring.

Risk Assessment

SOMI maintains a written emergency preparedness plan, which is included in the School's Emergency Management and Evacuation Procedure (EMEP). The EMEP is available upon request. It provides general instructions to assist students and associates with personal safety decisions, should they face
