**St. Mary's Hospital School
of Medical Imaging**

Content regarding the learning management system (LMS) on page 11 of the 2022-23 catalog under the heading “Computer Applications” is now modified as stated below.

The content contained on page 24 of the 2022-2023 catalog under the original heading "Online Learning Modules" is now modified as stated below.

Computer Applications

The Student Learning Management System (LMS), Blackboard®, is utilized to provide students with a central location to easily access course materials and course grades.

Clinical Compliance Learning Modules

Students must comply with requirements of clinical sites by completing assigned clinical compliance learning modules by due date. Students that do not complete the mandatory clinical compliance learning modules by due date will be prohibited to attend the clinical assignment until clinical compliance learning modules have been completed. Clinical time missed will be deducted from allotted clinical absences. Refer to Clinical Attendance policy C14.

**St. Mary's Hospital School
of Medical Imaging**

Certified to operate by State Council of Higher Education for Virginia.
